## INDIGESTION

### And Liver Complaint

CURED BY USING  
**Ayer's Sarsaparilla**

Mr. T. J. CLUNE,

of Walkerville, S. Australia, writes:

"Six years ago, I had an attack of Indigestion and Liver Complaint that lasted for weeks; I was unable to do any hard work, had no appetite, food distressed me, and I suffered much from headache. My skin was

sallow and sleep did not refresh me. I tried several remedies and consulted a doctor, without obtaining any relief; finally, one of my customers recommended Ayer's Sarsaparilla; it helped me from the first, - in fact, after taking six bottles I was completely cured, and could eat anything and sleep like a child."

## THE LEGISLATURE.

### AN ACT TO RESTRICT CHINESE IM-

MIGRATION.

A Joint Committee Proposed to In-

vestigate the Proposition to

Tunnel the Pali.

EIGHTH DAY, JUNE 22.

### THE SENATE.

The Senate was called to order

at the usual hour. After prayer

by the chaplain the roll was called,

all the members being present

except Brown.

A communication from the

House of Representatives stating

the selection of five Councillors

of State made by the House was

read and filed.

The President announced the

following committee on Senator

Schmidt's Business Depression

resolution: Schmidt, McCandless

and Wright.

Senator Baldwin moved that

the resolution in regard to the

election of members of the Council

of State be taken from the table

and made the special order

for Monday.

Senator McCandless offered the

following: Be it resolved by the

Senate, the House of Representa-

tive concurring, that a joint com-

mittee consisting of two members

from each House, be appointed

to investigate and report on a

more feasible route from Nuanu

to Koolaupoke by tunnel or

otherwise.

Senator Baldwin thought the

matter was of too much importance

to be acted on hastily. He

was in favor of the committee but

believed that the report should

be presented to the next Legisla-

ture.

Senator Wright concurred with

the last speaker.

Senator Rice objected to the

resolution as being too indefinite.

Senator Waterhouse moved that

the resolution be referred to a

committee of three. Seconded by

Senator Rice. Carried.

The President will announce the

committee on Monday.

Adjourned till Monday at 10

a m.

### THE REPRESENTATIVES.

The House was called to order

at the usual hour, all the members

being present.

After the routine business, Rep.

Kamaoha presented a resolution

requesting the Senate to act favor-

ably on the appointment of W.

R. Castle as Minister to Wash-

ington.

Rep. Robertson opposed the

resolution very strongly, stating

that Mr. Castle's appointment was

a matter that concerned solely the

President and the Senate, and

that it was a matter which did

not concern the House and that

the latter had better be careful in

interfering with things which

did not concern it. He moved to

lay the resolution on the table.

Carried.

Rep. Haia introduced a resolu-

tion forbidding the introduction

of any new bills after today, ex-

cept by the government.

Rep. Robertson moved to amend

by making the time one week

from today.

Rep. Richards insisted that the

time should be long enough to

allow representatives to hear from

their constituents on Hawaii and

Kauai.

The resolution was finally

adopted, after making the time

two weeks from today.

Rep. Robertson introduced an

Act to Restrict Chinese Immigration

and it was read the first time

and ordered printed. Following

is the full text of the bill:

Section 1. It shall be lawful

for the Minister of Foreign Affairs

to grant permits not exceeding

five hundred in number, as shall

be recommended by the Board of

Immigration, upon the applica-

tion of employers of domestic,

agricultural or mill labor, to any

Chinese now residing in the Ha-

waiian Islands under temporary

residence permits issued in ac-

cordance with Section 2 of Chap-

ter 80 of the Session Laws of 1892,

to remain in this country as

agricultural laborers or domestic

servants.

Sec. 2. Such permits shall

contain the condition, printed in

both the English language and in

Chinese characters, that the

bearer is allowed to remain in

this country solely on condition

that while here he will engage in

no trading or mechanical occupa-

tion other than domestic service

or agricultural labor in the field

or in rice or sugar mills, and that

he will whenever he shall cease

to follow his vocation as agricul-

tural laborer in the field or in

rice or sugar mills or as domestic

servant, leave this country, and

that for every breach of such

condition he shall, on conviction by

any District Magistrate, be liable

to a fine of one hundred dollars.

Sec. 3. Upon the issuance of

such permit to such laborer or

servant the conditions upon which

he entered this country shall be

void and the bond theretofore

given by him be cancelled, and

he shall thereafter be subject to

all the conditions, restraints, re-

gulations and penalties which are

imposed by law upon Chinese

who come to this country to en-

gage in domestic service or agri-

cultural labor in the field or in

rice or sugar mills upon permits

issued to them under the pro-

visions of Chapter 80 of the Laws

of 1892, as amended by Act 74 of

the Laws of the Provisional Gov-

ernment and Act 27 of the Laws

of the Republic of Hawaii.

Sec. 4. This Act shall take

effect from the date of its ap-

proval.

The bill appropriating the sum

of \$12,000 for the expenses of the

Special Session of the Legislature

was taken up, read the second

time and engrossed.

The committee on Rules re-

ported an amendment which was

adopted.

The House then went into Com-

mittee of the whole on the Land

Bill.
